

THINK^{TV} Host of Speaking of Women's Health 2008 Dayton and Miami Valley Honoree Nomination

Think^{TV}, with the support of our Local and National Sponsors, is seeking nominations for women in the community who are dedicated and committed to improving the overall health, well-being and personal safety of women in their communities to be recognized at this year's Speaking of Women's Health Conference on November 1st, 2008 at the Dayton Convention Center.

We are looking for women who are outstanding and exemplary in their achievements in the community. This woman would serve as a role model for other women, be a strong leader, support women's health and well-being along with going above and beyond her profession to make a difference. An honoree may be a volunteer, a teacher, coach, professional, etc. We are trying to find those unsung hero's of the community who are not typically recognized. Honorees who impact the lives of family and children's health, well-being and personal safety are also good candidates.

We invite you to take a moment to reflect on the women who have been influential in your life, and the lives of the women around you.

To submit a nomination, please complete the attached nomination form, provide the following requirements, and return the nomination packet to Think^{TV} no later than Wednesday, May 14th, 2008.
